Introduction

?The whole armor of God that worked so efficiently for those early believers is the very identical set of non secular armor worn through the Church of Jesus Christ today. Just as those early Christians have been absolutely prepared with the whole armor of God for the issues of their day, we also have the whole armor of God to stay victoriously for Jesus Christ at some point of our day. And this armor still works just as efficiently because it did then!

Each element of Gods religious armor - the loin belt of reality, the breastplate of righteousness, the footwear of peace, the guard of religion, the helmet of salvation, the sword of the Spirit, and the lance of prayer and supplication - are nonetheless essential, powerful, and effective guns for the Body of Christ today.
