Introduction

?Marriage is a divine organization founded upon sound tenets, ideas and codes of behavior designed to allow couples to love each other until separated with the aid of death. Tabled here are many workable or plausible thoughts to be able to not simplest restore those core values, however additionally prevent marriages from falling apart:

- Extracting the exceptional of both worlds, I borrowed significantly from the Orients mainly my ancestral Indian place of birth where the fundamentalism of marriage nonetheless produces the preferred outcomes.
- I herein utilize my lifestyles sciences education to explain gendered differentiations, thereby establishing commonplace grounds for couples to function harmoniously.
- Statistics show that many women succumb to intense brutality and demise at the arms of their unscrupulous husbands, whose movements need to be impugned or remedied.
- When a man snuffs the existence out of his wife, every other man someplace loses a daughter. How c
